Under Restraint: Yes, mark which restraint devices were used

Type of restraint

Type of Restraint: Handcuffs

Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On February 10, 2022, the decedent was arrested by the Houston Police Department and transported to the Harris County Joint Processing Center. During the booking process, the decedent was placed into a single cell due to his aggressive and erratic behavior. While inside the single cell, the decedent removed a piece of lining in his jail issued clothing and attempted to hang himself. Detention officers entered the cell and struggled to handcuff the decedent as he struggled with officers. The decedent was handcuffed and moved to a single cell padded room. While inside the padded room, the handcuffed decedent continually ran his head into the walls, door, and a metal grate on the floor of the cell. Detention staff entered the cell and removed him onto a stretcher. The decedent was transported to the clinic and subsequently to Ben Taub Hospital where he was pronounced deceased at 7:21 a.m. by a medical doctor.
