Was the deceased under restraint in the time leading up to the death or the events causing the death?

Under Restraint: No

Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

The mother of the actor called police stating that her son is bi-polar and schizophrenic and is off his medications. She went on to say that he was having auditory hallucinations, throwing items, and breaking doors inside the residence. Two officers arrived to the location and began to assess the actor's condition as he was backed into a corner of a bedroom. The actor was instructed to show his hands and did so but would not move from the corner. A decision was made to arrest the actor on municipal court warrants. As officers walked towards the actor, he raised a shotgun from behind him. He fired the shotgun at the officers. A sergeant that was there to assist the officers returned fire. The actor was struck and fell to the ground. Officers secured the actor's shotgun along with another assault rifle that was in close proximity. Medical attention was rendered by the officers and EMS was requested. The actor was transported to a Level 1 Trauma Hospital where he was pronounced dead.
